## 2. Details of the SPP

### 2.1 Overview

The SPP Offer is an invitation to all Eligible Shareholders to apply under the SPP to acquire New Shares at the Offer Price, up to a maximum of \$15,000 worth of New Shares.

The SPP opens on Tuesday, 27 November 2018 and closes at 5.00 pm (Melbourne time) on 19 December 2018 and is being made to each Eligible Shareholder under the SPP Terms and Conditions.

Eligible Shareholders may apply for a parcel of New Shares in any one of the following amounts:

Offer	Value	Number of Shares
Offer A	\$15,000	71,428
Offer B	\$12,500	59,523
Offer C	\$10,000	47,619
Offer D	\$7,500	35,714
Offer E	\$5,000	23,809
Offer F	\$2,500	11,904

Participation in the SPP is optional. You are under no obligation to apply for New Shares. The number of existing Shares you hold as at the Record Date and the rights attached to those existing Shares will not be affected if you choose not to accept any of your entitlement under this SPP (although, the percentage of the Company's issued share capital that they represent will be reduced).

## 2.2 Offer Price of New Shares under the SPP

The Offer Price for New Shares issued through the SPP is \$0.21 per New Share, the same per share issue price under the Placement as announced on 2 November 2018.

The current Share price can be obtained from the ASX website at [www.asx.com.au](http://www.asx.com.au), (ASX:RNO).

The price at which Shares trade on the ASX may vary between the date of this Offer, the date that you apply for New Shares and the date of issue of New Shares to you. Therefore, the Offer Price of New Shares may be more than or less than the Market Price of the Shares at the date the New Shares are issued. The value of your investment in New Shares may therefore rise or fall. There is no certainty that Shares will trade at or above the Offer Price following the issue of New Shares under the SPP.

This Offer Document is not a prospectus or product disclosure statement, and has not been lodged with ASIC. The issue of a prospectus or product disclosure statement is not required for the purposes of the SPP. This Offer Document does not contain the types of disclosure required to be contained in a prospectus or product disclosure statement. You must rely on your own knowledge of Rhinomed and previous disclosures made by Rhinomed to the ASX (including disclosure regarding the risks of making an investment in Rhinomed).

You should obtain your own independent investment advice in relation to the SPP Offer and consider price movements of shares before participating in this SPP Offer.

## 3. Eligibility to participate in SPP

### 3.1 Eligible Shareholders

Eligible Shareholders are those Shareholders who:

- (a) are registered as a holder of Shares on the Record Date;
- (b) have an address on the Company's share register in Australia or New Zealand;
- (c) are not in the United States and are not acting for the account or benefit of a person in the United States (to the extent such person holds Shares for the account or benefit of such person in the United States); and
- (d) are eligible under all applicable securities laws to receive an Offer under the SPP.

This SPP does not constitute an offer in any jurisdiction in which, or to any person to whom, it would be unlawful to make such an offer. The Company reserves the right to reject any acceptance which it believes comes from a person who is not an Eligible Shareholder.

Participation in the SPP is entirely optional. Offers made under the SPP are not renounceable. This means that Eligible Shareholders cannot transfer their right

to purchase New Shares under the Offer to another person. Existing option holders who are not also Shareholders are not entitled to participate in the SPP.

Under ASIC Class Order [CO 09/425] Rhinomed must not issue New Shares under the SPP unless it is reasonably satisfied that as a result of issuing the New Shares the total application price for the following will not exceed \$15,000 in relation to any person:

- (a) the New Shares issued to the person under the SPP;
- (b) any other Shares issued to the person under an arrangement similar to the SPP in the 12 months before the date of issue under the SPP;
- (c) any other New Shares issued to a Custodian as a result of an instruction given by the person to the Custodian or another Custodian to apply for New Shares on their behalf under the SPP; and
- (d) any other Shares issued to a Custodian in the 12 months before the date of issue under the SPP as a result of an instruction given by the person to the Custodian or another Custodian to apply for New Shares on their behalf under an arrangement similar to the SPP,

except to the extent that the person is issued with New Shares as a Custodian under a Custodian offer.

### **3.2 Single holders**

If you are a sole registered holder of a holding of Shares, but you receive more than one Offer under the SPP (for example due to multiple registered holdings under different capacities), you may only apply for New Shares with a maximum aggregate value of up to \$15,000, unless you are applying as a Custodian. This limitation applies even if you receive more than one Application Form due to multiple holdings, or if you hold Shares in more than one capacity such as if you are a sole Eligible Shareholder and a joint Eligible Shareholder and/or an Eligible Shareholder with more than one holding under a separate account or designation.

### **3.3 Joint holders**

If you are recorded as one or more other persons as the joint holder of a holding of Shares, that joint holding is considered to be a single registered holding for the purposes of the SPP, and subject to the conditions of eligibility set out in section 3.1 the joint holders are entitled to participate in the SPP in respect of that single holding only.

### **3.4 Custodians, trustees and nominees**

Eligible Shareholders who hold Shares as a custodian, trustee or nominee (**Custodian**) (defined below) may participate on behalf of each Beneficiary (defined below) on whose behalf the Custodian is holding Shares. An Eligible Shareholder is deemed to be a Custodian under ASIC Class Order (CO 09/425) if:

- (a) it holds an Australian financial services licence that:
  - (i) covers the provision of a custodial or depository service; or

- (ii) includes a condition requiring the holder to comply with the requirements of ASIC Class Order (CO 02/294); or
- (b) it is exempt under:
- (i) paragraph 7.6.01(1)(k) of the Corporations Regulations 2001; or
- (ii) ASIC Class Order (CO 05/1270) to the extent that it relates to ASIC Class Order (CO 03/184),
- from the requirement to hold an Australian financial services licence for the provision of a custodial or depository service; or
- (c) it is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (d) it is the responsible entity of an IDPS-like scheme (as defined by ASIC Class Order (CO 02/296)); or
- (e) it is the registered holder of Shares and is noted on the Company register of members as holding Shares on account of another person.

A '**Beneficiary**' is a client of a Custodian or Downstream Custodian (defined below) on whose behalf the Custodian or Downstream Custodian held Shares on the Record Date.

To the extent that a Custodian holds Shares on behalf of a Beneficiary resident outside Australia and New Zealand, it is the responsibility of the Custodian to ensure that any acceptance complies with all acceptable foreign laws.

Custodians wishing to participate on behalf of one Beneficiary per registered holding should complete the Application Form and return it to the Company's share registry with payment. Custodians wishing to participate on behalf of more than one Beneficiary per registered holding should contact the Company's share registry and request a Custodian Certificate and Schedule.

When requesting a Custodian Certificate and Schedule from the Company or the Company's Share Registry, Custodians must allow time for the dispatch, completion and return of the forms. Requests should be made in writing via email at [corporate.actions@automic.com.au](mailto:corporate.actions@automic.com.au). Requests made on or after the fifth business day before the Closing Date may not result in the separate Application Forms being received in sufficient time to allow for lodgement before 5.00pm AEDT on the Closing Date.

Custodians must establish that the issue of Shares applied for on behalf of a beneficiary will not result in the beneficiary acquiring Shares under this Offer (or under any other share purchase plan of the Company or similar arrangement) with an application price totalling more than \$15,000 in the 12-month period prior to an application under this Share Purchase Plan.

If you hold Shares as a custodian, trustee or nominee for another person, but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

If you are unsure whether you are a Custodian for the purposes of the Offer you should obtain independent legal advice.

### **3.5 Shareholders outside of Australia and New Zealand**

The Company is not making the Offer to any Shareholder who, as at the Record Date, has an address on the Company's share register outside of Australia or New Zealand. The Company has determined that it is not practical for holders of Shares with addresses on the share register in other jurisdictions to participate in the SPP.

No action has been taken to register or qualify the New Shares or the SPP or otherwise to permit an offering of the New Shares in any jurisdiction outside Australia and New Zealand, including the United States. The New Shares are not being offered or sold to the public within New Zealand other than to existing Shareholders with registered addresses in New Zealand to whom the Offer of New Shares is being made in reliance on the Securities Act (Overseas Companies) Exemption Notice 2013 (New Zealand). This document has not been registered, filed with or approved by any New Zealand regulatory authority under the Securities Act 1978 (New Zealand). This document is not an investment statement or prospectus under New Zealand law and is not required to, and may not, contain all the information that an investment statement or prospectus under New Zealand law is required to contain.

Shareholders who hold Shares on behalf of persons who reside outside Australia and New Zealand, are in the United States, or are U.S. Persons (as defined in Regulation S under the United States Securities Act of 1933 as amended) (**U.S. Securities Act**) (**U.S. Persons**) or who act for the account or benefit of a U.S. Person are not entitled to participate in the SPP.

You must not distribute any documents relating to the SPP to any person in the United States or to any U.S. Person. Consistent with the representations, warranties and acknowledgements contained in section 5.2 and the Application Form included with these SPP Terms and Conditions, you may not submit any completed Application Forms for any person in the United States or who is, or is acting for the account or benefit of, a U.S. Person.

Rhinomed may scale back applications if the number of New Shares applied for under the SPP is greater than the number of New Shares it wishes to allot and issue.

If, for whatever reason, the Company issues fewer New Shares to you than you applied for, any application monies received in excess of your actual allocation of New Shares will be refunded (without interest) as soon as reasonably practicable.
